Art show this Friday!

Hey, Twin Cities locals! I HAVE AN ART SHOW THIS FRIDAY!

Friedman Iverson in Northeast Minneapolis is presenting [A Field Guide to the Alternate Universe](#), a show featuring the work of myself and four other fantastic comic artists. Click the Facebook link there for time and place details.

It's going to be a blast - free drinks, great company, and of course, awesome art. This will be the first time Dinosaurs With Jobs will be available out in the non-internet wild.

And hey, if you're still planning on entering [my coloring book giveaway](#), you've got three days left!
