Apocalypse Coloring & Activity Book GIVEAWAY!

Hi everybody! Did you know my super fun coloring and activity book about the end of the world is coming to a store near you NEXT TUESDAY, APRIL 5th?

I am freaking out. This is my first book to be widely distributed by an actual publisher. It's going to be in for-real bookstores, and I'm going to go to one, find it on the shelf, and hug it and coo at it until the bookstore clerks ask me to leave.

Fortunately for you, you don't have to be seen with me in public to get a copy! You can buy your own, or you can enter the VERY EXCITING GIVEAWAY below and get a free copy, signed by me! I'll doodle something neat inside it for you, too.
