Contact

I'm easy to find on [Twitter](#), [Tumblr](#), and [Goodreads](#), if those are your hangouts. Call me Theo. I like they/them pronouns best.

If you want to contact me privately, my inbox is always open: theonicolelorenz (at) gmail (dot) com

Note on commissions: 2016 is pretty full already, so I likely won't be taking on a lot of commissions! Please be patient with me, everything happens so much.
